SUMMER IN THAILAND

During the months of March and April, Thailand is at its hottest. This is the time the kids have summer vacation. A lot of people usually go to the forest during this time because it is the coolest there. It is also a time that we get to spend more time in the Word of God with the children we rescue. This summer, we were given the opportunity to bring our kids to a Christian summer camp. They went hiking and also had worship and the Word together. They were able to make a lot of connections with other Christians

in the nation of Thailand. This is a great thing because Thailand is less than one percent Christian. We want to thank our sponsors for helping make this possible. Your support is what makes the difference in this kids lives. We could not do this without you. By giving monthly you are allowing us to be with them, teach them, and equip them for a better future. The children enjoyed their time at this camp as you can see in some of the pictures. Our children enjoy going out and having fun together in the forest and also doing things with other Christ-like minded

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

people. It is hard to live in a country that is predominantly Buddhist. This is one reason why monthly support is so important. When we have consistent monthly donors, we are able to ensure that the kids are taken care of. Your donations help us everyday. You are helping us rescue, restore, equip, and release children into their Promised Land.

You are helping us feed them, clothe them, and send them to school. Your support matters. Your support changes lives. You are helping us change a nation by changing the lives of a generation that did not have hope before. You are helping us restore that hope and show them that they matter. Thank you for your support.
