### TRANSFORMING LIVES IN THAILAND: A CALL TO ACTION

Happy New Year from all of us at Promised Land Ministries! As we step into 2025, we are filled with hope and gratitude for the journey we are on together. Our mission remains steadfast: to rescue children from the grips of sex trafficking and to restore their lives through counseling, education, and the transformative power of the Word of God. Over the past months, we have witnessed the incredible resilience of the children we serve. Through our programs, they are not only healed

but also equipped with essential life skills. We provide training in various trades, cover their educational expenses, teach them English, and guide them in financial literacy. Our holistic approach empowers these young individuals to set and achieve personal goals, preparing them for a brighter future. With a heart focused on our mission, we are currently trusting the Lord for \$10,000 in monthly donations, which are crucial for sustaining our operations and supporting these amazing children. Unfortunately, we have experienced a drop in

giving over the past three months. However, we remain steadfast in faith, knowing that God has a perfect plan for this ministry. Additionally, we are seeking God's provision for 10 acres of land and \$500,000 to build safe homes for the children we serve. This land would be a place of refuge and healing, where they can flourish and learn in a nurturing environment. In December, we were tremendously blessed by a visiting ministry team from Missouri, who spent time with the community in one of our supported villages. They shared love, joy, and the message of hope, leaving a positive impact on all who participated.

### **How You Can Help:**

As we continue forward, we invite you to partner with us in this vital work. Here are a few ways you can help:

1. **Donate:** Your financial support is essential. Every dollar makes a difference and helps provide for the needs of our children. Consider making a monthly commitment or a one-time gift to help us reach our \$10,000 monthly goal.
2. **Spread the Word:** Share our mission with your friends, family, and network. The more people who know about Promised Land Ministries, the more lives we can touch. Help us find new supporters who are passionate about changing lives.
3. **Pray:** Join us in prayer as we seek God's provision for our land and future homes for the children. Pray for the children, our staff, and all those who support our work.

Together, we can continue to transform lives and create lasting change. Thank you for being an invaluable part of Promised Land Ministries. Let's make 2025 a year of hope, healing, and restoration!
