

PROMISED LAND MINISTRIES

Chiang Mai, Thailand

APRIL - JUNE 2024 | QUARTER 2 | VOL 7

AMAZING MISSIONS

We had an amazing missions team come be with us during this quarter. They brought all kinds of gifts and things for those in need. They brought the Word of God and showed many the path of Jesus. The team was able to minister to people who had never heard of Jesus before and also disciple those who have. There were many questions and many people wanted to know about many things. There wasn't enough time for the team to answer all of the questions but we do know that the hunger

of the Word of God was evident and that the people of Southeast Asia desire more of God. They want to know more about the Bible and what God teaches. If you are interested then please plan a trip with us. We take groups of all sizes and try to keep it as cheap as we can for you. On average, we charge about \$800 per person for two weeks. The \$800 covers transportation, food, and lodging. The plane tickets and any extra money you would like to spend would be on you. We would love to have you come to the beautiful land of Thailand and join us in ministry! Something else

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

Please pray with us for the following needs to be met:

Souls to be won

Open Doors in the community

Church Planting

Consistent monthly donors

\$10,000/month Budget to be met

Protection and Safety in our travels

\$137,000 to build two homes

Amazing Missions (cont.)

we did during this quarter is baptize two of our girls that we have rescued from trafficking. They had given their heart to God before but decided to take it a step further and get baptized in water. We are so blessed to have many people pray and support us to make things like this possible! God is so good and we intend to rescue more but we need your help! We have

more teams coming in September and December. If you can't come on a missions trip, we also need support financially! Please support us and help us rescue more children. Monthly giving helps us take care of the kids and raise money to buy land as well as build more homes. Help us rescue, restore, equip, and release those involved in the sex trade! You are making a difference!
